PLAYER RELEASE TERMS

A player may not transfer in the following year to another club in the CJFL unless released by the player's previous CJFL club.

Player releases will be at the sole discretion of the team who has registered the player. A player who has requested and been refused a release by his previous team will only be eligible to play for another team upon fulfilling the commitment of his latest signed CJFL registration.

The only exception will be a player whose current CJFL team (Team A) does not reside in the province where the player played his high school or midget football. This player who wishes to leave his current CJFL team (Team A) to return to the CJFL team closest to his previous high school or midget team (Team B) shall be granted his release automatically by his current CJFL team (Team A).

Any team contacted by a player under this scenario will be required to abide by CJFL Rule 6 (Tampering).

Should a player released under the above provision be released by his new CJFL team (Team B) that player would be required to fulfill his obligation to the registration signed with his original CJFL team (Team A) unless released by Team A.

SOCIAL MEDIA POLICY

I, the undersigned, hereby agree to abide by the Social Media Policy of the Canadian Junior Football League, a copy of which is available at www.cjfl.net

I hereby consent to becoming a contestant and authorize and approve thereof, and on behalf of myself, my heirs, executors, administrators and assigns, do hereby waive and release any and all claims for damages that I may, at any time, have against the Team and the Conference and the Provincial Association and the Canadian Junior Football League for damages and for injuries that may be suffered by the above named contestant while participating in football.
